

Free printmaking

Let your students create a masterpiece by discovering printmaking

Material:

Paper
Poster paint
Gouach
Acrylic paint
ink
Random objects
(eg sponge,
textured wall
paper, wood)
Roller pin/ Brayer

1. Display different kinds of paints
2. Display different objects they can print with
3. Give every student a tile or a bigger paint tray to add paint
4. Give out a lot of paper (scrap paper and cheap paper is perfect)
5. Let them figure out which paint works best, let them practice
6. Let all the prints dry
7. Use this in the next lesson to create a collage
